PROFIL

The Greek-Pakistani Chamber of Commerce and Industry (GPCCI) is an independent, non-profit organization that helps people thrive, businesses excel and communities prosper. Since 2017, the GPCCI has leveraged the collective strength of the private sector to make a positive impact on the communities. The GPCCI connects local businesses and all levels of government to create an environment for the economic development.

Objectives

Our Chamber is the best resource for information, a strong advocate for business and economic development and an effective partner in supporting and facilitating our members' prosperity.

- Advance the interests of the business communities with the EU.
- Address issues in the context of current and future economic ties between Greece and Pakistan.
- Secure and build upon the open market access Greece has achieved through its existing trade agreements as a member of the EU and WTO
- Advocate for and provide substantive inputs into the negotiations for an eventual Greek-Pakistani free trade agreement.

Activities

1. Preparation of economic studies, reports and statistical information.
2. Organization of commercial delegations to Pakistan.
3. Organization of various business lunches/dinners with official guest speakers.
4. Hosting of foreign delegations in Greece.
5. Organization of forums, conferences and seminars.
6. Organization of exhibitions.
7. Publications: Monthly informative periodical bulletins both in English and Pakistan languages.

Services

The Chamber creates a unique platform for companies to engage with policymakers from Greece, Pakistan and the European Union and debates on key regulatory policy issues and future bilateral talks between Greece and Pakistan.

- Organizing well-planned B2B meetings between Greek and Pakistani businessmen, activities which are complimented with the publication of informative brochures for each delegation involved.
- Holding and co-organizing business events, Forums, Conferences, Fairs, Exhibitions and Workshops in Greece and in Pakistan.
- Publishing trade bulletins, reports, statistical data and related economic and trade activities between Greece and Pakistan.
- Providing update information to Greek and Pakistani businesses on the existing business opportunities from both sides through the publication of regular bulletins.
- Hosting and participating in related cultural activities and cross-cultural workshops.
